

Stefan Dăscălescu

ENTRY-LEVEL UI/UX DESIGNER

Summary

UX/UI & Graphic Designer with 2 years of experience in designing modern website functionalities and prototyping. Great communication skills and adaptability to co-work with teams in order to deliver the best results possible.

My interests and experience in design lies in the architecture, illustration and functionality of web products and prototypes. Also, I package my creativity alongside strong work ethics and team work. In addition, I love learning new things and proactively seeking new concepts.

Education

Highschool (2019 - present)
Liceul Teoretic Alexandru Ioan Cuza - Romania, Iasi

Courses (2020 - present)
UI/UX design/prototyping, Adobe Photoshop, Adobe Illustrator, Marketing.

Experience

Freelance (2020 - present)
Consulted with tech startups to review current products and provide design solutions to solve user needs and business challenges through User Research, Information Architecture, Interaction Design, Visual Design and Prototyping.

Hackaton (December, 2021)
Participated at PoliHack Cluj-Napoca and took 2nd place by prototyping a habits manager that is considered environmental friendly for a period of 48 hours with no breaks.
